

**Located on Swamp Road, the Lenswood Memorial Park is owned by the local community and managed by a small but dedicated committee of volunteers. The land was purchased, and the Park created as a memorial to those who served in World War Two.**

The Park provides open spaces in a peaceful and picturesque setting. A children's playground, cricket nets and tennis courts are always open for use. An increasing number of residents are using the facility as a walking and/or jogging venue. The oval is often used on Friday evenings and most Saturdays during summer for cricket. The Adelaide Hills Junior Soccer Association holds training sessions on the oval during the cooler months while the hall hosts the Table Tennis Club Wednesday evenings from April through August each winter.

The very active and successful Lenswood Ranges Cricket Club, with its six teams, is the driving force behind maintaining and improving facilities at the Park. Very soon a white picket fence will be erected around the oval providing retention for balls and creating a unique scenic feature amongst other hills cricket grounds.

Thanks to the generosity of the Onkaparinga Lions Club in providing a grant of \$10,000, the kitchen at the Park has recently been enlarged and renovated.

The walls are about to be painted white, completing the project and providing a clean, bright food preparation room for the sports clubs and hirers.

Like most building projects, this one was no different in that the budget has been exceeded. In addition to the extra renovation expenses, operating expenses such as electricity, insurance and maintenance work are ongoing. The Adelaide Hills Council provides some support through an annual grant but much of this is spent on insurance!

**The Park Committee is asking the community for support by seeking membership renewal or new members.**

The Lenswood Memorial Park has been proudly supported by the community for over 70 years. Membership offers a 50% discount on hiring charges and allows voting rights at Park meetings.
