Apologies – Rose Milton Head

Minutes – DM/BN Carried

Business arising None

Correspondence None

Finance Bank Balance \$684.27 DM/PS Carried

Chairperson Report The group has been active in a myriad of small ways, and I would like to thank everyone for their efforts, in particular Peter Stafford who does much of the heavy lifting, but also Brittany, and Rose who has sent her best wishes but although her bad back has been fixed other health reasons has retired from the group.

We participated in the LFR History Group's Greedy for Gold event in Oct last year, running children's events and a sausage sizzle.

In Nov 2021 the LFR chat group was established and has slowly accumulated participants since then. The event calendar on our web page followed in Dec last year.

A number of members participated in the Community Resilience workshops. This is an ongoing process and much work is still to be done.

The movie night events had Red Dog Dec last year, Fern Gully in Feb, Hugo in April and Crocodile Dundee in June.

Lenswood Centennial Park working bees have continued, mostly hand pulling or cutting and swabbing Cape and Montpelier Broom and gorse.

The facebook page has been active promoting local events, posting scenic photos, notifying of missing person and found ponies.

Tasting Nostalgia is coming up 23rd Oct and our group is again supporting LFR History Group in this.

In closing, I feel the group is a valuable addition to the community by linking people, maintaining and creating new avenues of communication and bringing people together.

Election of committee

Chair Chris Grant /PS carried

Vice Chair Haydn Smith /DM carried
